Advertising & Appointments

The Criminal Bar Association reaches a specialist audience of criminal practitioners across England and Wales — from pupils and juniors to silks and the judiciary. We are glad to advertise relevant vacancies and public appointments to our members.

Free for the Bar

Vacancies and notices from chambers, pupillage opportunities, pro bono work and member announcements are carried at no charge, as a service to members. Public-interest appointments placed directly by the appointing body — for example Home Office independent-reviewer roles — are carried free. Charges apply to listings placed by recruiters or commercial organisations.
