Join us?

We are a busy, successful Criminal and Disciplinary & Regulatory Team in a large common law set of chambers. We have a clear surplus of good work. We need committed and enthusiastic practitioners across the board to take it up. Based in the beautiful Cathedral City of Winchester we practise predominantly in Southampton, Bournemouth and Winchester.

Set for Success

We are delighted to announce that Anne Brown has been appointed as a Circuit Judge, sitting in Kingston. This follows Sarah Jones' appointment as Queen's Counsel last year. We welcome Alejandra Llorente Tascon and Alice Scott to the team following their successful completion of pupillage.

Established over 70 years ago, Pump Court Chambers is one of the leading common law sets at the Bar. We are rated as a "Leading Set" in both Chambers & Partners and the Legal 500, with centres in London, Winchester and Swindon.

Above all, we have excellent clerking and a particularly close team spirit.

If you share our ambition, drive and commitment to excellence in all that we do, we would welcome enquiries and applications from Criminal and Disciplinary & Regulatory practitioners at all levels of call. Time to apply and share our pride in a thriving Circuit practice.
