Dear Mr Howarth

Licensed Access

The Practising Rules Panel of the Qualifications Committee has now considered your licensed access reapplication and I am pleased to confirm it has approved the amendments requested.

I enclose your new licence, a copy of which must be sent to counsel with each set of instructions.

I would be grateful if you would notify us of any changes to your organisation name, address or other details relevant to your licence.

Please note that the terms "General Council of the Bar", "Bar Council" and "Bar Standards Board" together with the Bar Council and BSB logos should not be used without our authorisation. Please also note that your literature should not hold out that the Bar Council or Bar Standards Board carries out a regulatory function under the licensed access scheme.

Yours sincerely

A handwritten signature in black ink, appearing to be "J. Dixon".
